Building Trades Pre-Apprenticeship Program

Boston Metro Area Residents *Build a Community, Build a Career*

The Building Pathways Pre-Apprenticeship Program is looking for qualified people who want to begin careers as skilled building trades men and women in construction and transportation. Building Pathways provides 6 weeks of career exploration and hands-on exposure to the trades – electricians, bricklayers, carpenters, plumbers, laborers and more - and prepares participants for placement in a union apprenticeship.

Building Pathways is sponsored by Building Pathways, Inc. in partnership with the Building & Construction Trades Council of the Metropolitan District, together with the Boston Housing Authority, Action for Boston Community Development and the Building Trades Training Directors Association. It is funded with grants from the Mayor's Office of Workforce Development, the US Department of Labor, the Massachusetts Department of Transportation, the Federal Transit Administration, and in-kind donations from our union, contractor and community partners. Building Pathways is an equal opportunity program and auxiliary aids and services are available upon request to individuals with disabilities. This flier was printed with in-house labor.
